TERMS

Applicants will adhere to the regular entrance requirements for admission. The application procedure is listed in the Undergraduate Bulletin, under the guidelines for Admission to the College.

The following policies apply to all transfer students seeking admission to BA and BS programs:

1. Students with an AA or an AS degree with a 2.5 index will be granted junior status in the School of Arts and Science and will be deemed to have satisfied the liberal arts core requirements at Iona College (except for philosophy and religious studies requirements).

2. Students with an AAS degree and an index of 2.5 will be granted junior status in parallel programs at Iona and will be deemed to have satisfied the liberal arts core requirements (except for philosophy and religious studies requirements).

3. Once at Iona College, the student will have up to a maximum of 64 credits (not including physical education credits) earned at Rockland Community College accepted and applied to a specific Bachelor's Degree at Iona College. The assistant dean and the departmental advisor will evaluate the credits and help the student plan a program to allow the student to graduate in the shortest period of time possible, usually two years of full-time study or its equivalent for most programs.

4. Iona College will award credits as indicated on the attached course equivalency plans. Students will fulfill the requirements of the BA/BS degrees as described in the Undergraduate Bulletin of Iona College.
